

Respected sir

Dt: 30aug2017

My humble request to furnish information under the RTI act 2005.

Thanks for the reply. But the reply is partial only rather not giving more appropriate reasons.

According to print media technical committee cleared the proposal in 2015 which was put on hold due to a WP in madras HC. But the HC did scrap the petition in aug 2016 and paved the way for granting classical language status for any indian language now onwards.

One year fast forward and still govt is considering the proposal for clearance which seems absurd as it's just a case of official announcement or notification now.

So let me know more reasons or rather true reasons behind this hold.

Regards

satish

Sir,

I am directed to refer to online RTI application filed by Shri Sateesh Deshpande vide Registration No.MCULT/R/2017/50176 dated 02.08.2017 under the provisions of RTI Act, 2005. The information is as given under.

Sl.No.	Information requested	Reply to be provided
1	Whether that language expert committee have finally cleared the proposal of bestowing the classical status for Marathi Language?	Yes
2	If that proposal is cleared, then why Govt. is holding the announcement?	Vide common order dated 08.08.2016 the Hon'ble High Court of Judicature at Madras has disposed off the WPs declining to interfere in the matter.
3	When Govt. is going to announce the classical status?	The issue is under examination.

Yours faithfully
