

Respect sir,

I am a resident of Sindhi colony, Saroop Nagar, Delhi 110042. We are facing heavy water logging problem (without rain) on KUSHAK ROAD NO. 2 which starts from NH-1 to Kadipur villege via SAROOP nagar, Kushak & Sant sujan ji int. school.

We have complained MCD, FLOOD, & PWD etc. departments etc but all the department refusing to help with the statement that " it doesn't comes under our jurisdictions".

Through RTI ACT, I would like to request you to please provide below mentioned information to us:-

1. Under which department this road comes??
2. Which department have rights to repair n renovate this road n drains aligned with this??
3. How much time this road has been repaired & who repaired this with costing???

Also request you to if this doesn't comes under your jurisdictions then please forward this to concern department.

Hope you'll revert us soon.

Thanks in advance for your assistance.

Regards,
Arun Kumar Sharma
