

Under the RTI act, we need the information on following

1) Is there any policy/rules/regulation on penalising the person/organisation wasting water in India?

2) If yes, what are the relevant provisions and number of person so far penalised within the last year 2016-2017.

3) If no, is there any recommendation from any ngo/committee/authority etc for making such provisions and status of the same.

4) Efforts taken by central govt. to prevent wastage of water by households/organizations just because of there reckless behaviour.

5) is there Any guidelines/circulars/notification issued by the Govt. for prevention of wastage of water, if yes, please provide the same.
