Sir

NOTE: All concerned channels in Railways and CVC have been exhausted. Kindly refer email sent to you on 06/07/2012 (available in the attachment HOZ AC CBI 06072012) relating to request for investigating my frequent malicious transfers

1. Even after last email to you in July 2012, I have been subjected to one more transfer in August 2012 to my present post of DyCEE/Coord/MLG/NFR.
2. During my posting as DyCEE/RE/NJP in Year 2011, I was served CVC advised Major Penalty Charge Memorandum dated 11/07/2011 by GM/CORE/ALD. This disciplinary proceedings have not been completed till date in gross violation of CVC norms resulting in denial of Selection Grade in November 2012.
3. Representation against Annual performance Appraisal Report (APAR) of DyCEE/RE/NJP posting submitted in February 2013 has not been responded to by GM/CORE/ALD despite passage of more than 90 days against prescribed 45 days.
4. The charge memorandum was followed by my transfer to the post of DyCEE/RE/Jind in July 2011. The posting of DyCEE/RE/Jind was for only 5 months. APAR of that period has been spoilt by Central Organisation For Railway Electrification, Allahabad (CORE/ALD).
5. In January 2012, I was transferred to N F Railway and posted as SrEDPM/Alipurduar. This posting was for only 7 months. I was subjected to transfer to my current post in August 2012.
6. This transfer was preceded by one month training at RITES/Gurgaon which was wastage of public money to the extent of Rs 100000/- (Rs 25000/- course fee + Rs 25000/- TA/DA + Rs 50000/- my salary). For the training commencing from 23/07/2012 at Gurgaon, I was served letter at Alipurduar (West Bengal) on 23/07/2012. Despite my protest, the then DRM/APDJ Sh Anirban Dutta (now DRM/Howrah) spared me for training.
7. On return back from training on 27/08/2012, I was served 10 recorded warnings dated 27/07/2012. Immediately I submitted representation to them. Till date, representations have not been responded to. On 13/05/2013, latest reminder has been sent to Secy to GM/NFR.

8. Since beginning no work is assigned to me. My suo motu efforts are not responded to. Staff working under me bypass me and directly approach my seniors.
9. Duty list after persistent efforts was provided through RTI request in April 2013.
10. I reported denial of work and bypassing to all concerned since beginning. Some of the works involve electrical safety certification by Chief Electrical Engineer, N F Railway, Maligaon (Guwahati) [CEE/NFR/MLG]. Such work costs upwards of Rs 2000000/- and are done through works contract. Manner of certification can cause substantial financial loss or gain to the contractor. All such works should be examined at Deputy Secretary level prior to finalisation by Joint Secretary level and finally by CEE/NFR. One illustrative case can be seen in the attachment entitled "EL CON DB BOGIBEEL EIG 15052013".
11. From November 2012 onwards, fueling of my official vehicle has been stopped without assigning any reasons. My repeated requests for resumption and investigation to all concerned have been ignored.
12. In a malicious manner, I was served 1 recorded warning by CEE/NFR Sh B P Verma in February 2013 and 3 recorded warning by Sh Arjun Kumar, CESE/NFR. Recorded warning issued by Sh Arjun Kumar were withdrawn. Appeal against recorded warning by Sh Verma is pending with GM/NFR Sh R S Viridi.
13. In March 2013, I was served 4 show cause notice by Sh Arjun Kumar, CESE/NFR.
14. Thrice my leave applications were not responded to or delayed response was there. My complaint to NFR Vigilance for conducting investigation has not been responded to
15. On 12/04/2013, CEE/Planning/NFR Sh Arjun Kumar confidentially requested Medical Director/Central Hospital/N F Railway (MD/CH/MLG) for my medical examination.
16. On 18/04/2013, GM (P)/NFR issued orders for transfer of Sh Arjun Kumar to the post of CESE/NFR.
17. On 30/04/2013, CEE awards were distributed. These awards were finalised without my knowledge, involvement and recommendations.
18. On 01/05/2013, I was served MD/CH/MLG letter dated 30/04/2012 directing me to appear for Medical Board (PI see the attachment "MB CEE PIg 12042013 MDCHMLG 30042013). I immediately explained to all concerned the malicious motive.
19. Ignoring my letters, CEE/Planning Sh Arjun Kumar through his letter dated 02/05/2013 spared me for medical board on 06/05/2013.
20. On 03/05/2013, I asked through RTI the CEE/Planning document dated 12/04/2013.
21. On 03/05/2013 and 06/05/2013, I was served four recorded warnings by Sh Arjun Kumar.

22. Developments from 06/05/2013 to 09/05/2013 are available in the forwarded email.

23. Kindly arrange to investigate the case as I suspect sinister design to protect powerful persons and continue inappropriate/corrupt practices.

Sir

Kindly peruse the forwarded emails and the attachments. It can be inferred that efforts are being made to victimise and harass me to the extent that vested interests are planning to declare me mentally unstable or disturbed or insane. For this purpose, on 12/04/2013, my immediate superior CEE/Planning/NFR Sh Arjun Kumar requested NF Railway for my medical examination.

Kindly register this complaint and take action as per extant rules.

Your email dated 20/03/2013, Non-responsive RB Vigilance to reference from CVC,
CVC Complaint No. 7230/2013

Madam

Kindly peruse the forwarded emails. Till date, no response has come from Adviser(Vig)/RB. Rather there appears to be malicious/ulterior motive. On 12/04/2013, I wrote to following officials and Honourable Prime Minister:

Sl. No.	Date	Sent to	Details
1	12/04/2013	Secy/RB	Request for apprising action take on CVC complaint no. 5413/2013 forwarding email sent to Adviser (Vig)/RB on 05/04/2013
2	12/04/2013	Adviser (Vig)/RB	Intimation of reference dated 20/03/2013 from CVC, Complaint No. 7254/2013 which in turn was based on DyCEE/Coord/NFR email dated 21/02/2013 No response received from RB Vigilance
3	12/04/2013	ML	Request for advising GM/NFR to quash the disciplinary proceedings forwarding email sent to MS/RB on 05/04/2013 and giving reference to earlier email sent on 17/03/2013
4	12/04/2013	Honourable PM	Request for advising MoR to quash the disciplinary proceedings forwarding email sent to Honourable MR on 05/04/2013 and giving reference to earlier email sent to Honourable PM on 08/04/2013

On the same date, CEE/Planning/NFR Sh Arjun Kumar requested N F Railway/Medical Department for my medical examination. Based on his requested, MD/CH/MLG issued letter on 30/04/2013 directing me to attend medical board (PI see

fifth attachment). On 01/05/2013, I requested CEE/Planning to provide copy of his document dated 12/04/2013. Ignoring my request, CEE/Planning issued letter on 02/05/2013 sparing me for the medical board (Please see sixth attachment).

On 03/05/2013, I was served three recorded warnings issued by CEE/Planning against his malicious show cause notices dated 01/03/2013. My correspondences relating to show cause notices from 01/03/2013 onwards were ignored by all concerned.

Therefore there is no point in asking Adviser (Vigilance)/Railway Board to investigate the complaint

Kindly inform competent authority for investigation of all the references from CVC to Adviser (Vigilance)/Railway Board directly by CVC itself.

Sir

NOTE: All subordinate channels have been exhausted. Kindly refer email sent on 19/04/2013

Kindly peruse the forwarded email from CVC and the attachment. Till date, Adviser (Vig)/RB has not responded. Perhaps encouraged by absence of response from RB Vigilance, GM/CORE/ALD through his letter dated 18/03/2013 has confirmed adverse remarks and average grading in APAR in delayed response to representation dated 01/11/2012 for APAR of my DyCEE/RE/Jind Posting from 29/07/2011 to 02/01/2012. Appeal against the decision of GM/CORE has been given to RB on 18/04/2013.

In view of the above, kindly advise Adviser (Vig)/RB to arrange to investigate the subject complaint. .
