SUBJECT: RTI Appeal against the RTI reply vide no. 11256 (ID-1989/17)/ (D-I)/ RTI Cell/ SWD dated 03.08.2017 received on 05.08.2017

Respected Sir,

The undersigned has received a RTI reply dated 03.08.2017 i.e. **Annexure 01** for the RTI application dated 17.07.2017 i.e. **Annexure 02**. However the RTI reply is incomplete and incorrect as the reply to none of the points has at all been given correctly.

**PRELIMINARY OBJECTIONS:**

1. It is logical that if the complaint register and the kalandra register have been destroyed, then the PS Dwarka Sector-23 could not have even replied to the very first point citing that the DD entry was 14 A. The very fact that the PS Dwarka Sec-23 is even certain of the DD entries of the complaint made on 25.11.2009, establishes that the complaint entry/ DD entry register and the kalandra entry register must be present in the Police Station wherein the entries of the complaints and the kalandra made by the police officials are done.

2. The said RTI application must have been forwarded to the concerned SEM court for the complete details of the kalandra if the same is not available with the Police Station.
3. The undersigned had specifically requested for inspection of the Kalandra entry registers and the complaint entry registers at the PS Dwarka Sec-23 and at SEM office. The same has not at all been replied to by the PIO.

**POINT-WISE REPLY UNDER APPEAL:**

1. POINT NO. 1:
  - a. The PIO has missed the very basic point of information as desired by the applicant, as the undersigned wishes to know if any kalandara had been made also after 25.11.2009 by the purported IO who has purportedly filed the said complaint on the same day i.e. on 25.11.2009, which cannot be ascertained without verifying the kalandra entry register at the PS Dwarka Sec-23 and at the SEM office.
  - b. The reply is also ambiguous and self-contradictory in nature as the PIO has asked for the essential details of the complaint, and while the DD entry registers and the kalandra entry registers have been submitted to be destroyed, however the reply corroborates the fact that the same have already been traced by officials.
  - c. The complaint as mentioned by the PIO is the same complaint on which the purported kalandra would have been made.
  - d. However other complaints had also been made by the complainant and his daughter to various police authorities pertaining to the said attack on 25.11.2009. The said complaints are also being attached herein for the kind perusal of your goodself from **Annexure 03** to **Annexure 05**. The PIO might wish to check the details if any kalandra has been made for the said complaint on a date post 25.11.2009 in the year 2009 and 2010 by inspecting the complaint entry registers and the Kalandra entry registers at both **the PS Dwarka Sec-23 and at SEM office** in reference to any purported enquiry carried out by any previous IO.

2. POINT NO. 2:

- a. No reply given in view of the submission that the said files have been destroyed. However the entry registers of the said complaints and the kalandra files are very much present in the PS Dwarka Sector-23. **Hence it is requested to your goodself to kindly allow the undersigned to inspect the said kalandra entry registers for the months of November 2009 till date at both the PS Dwarka Sec-23 and at SEM office.**
- b. Moreover, as discussed above the present RTI must have been forwarded to the concerned SEM court in Dwarka in order to ascertain the truthfulness of a claim of having made a Kalandra for the said complaint and assault on the undersigned and his daughter.

3. POINT NO. 3:

- a. No reply given in view of the submission that the said files have been destroyed. However the entry registers of the said complaints and the kalandra files are very much present in the PS Dwarka Sector-23. Hence it is requested to your goodself to kindly allow the undersigned to inspect the said complaint entry registers and the Kalandra entry registers at both **the PS Dwarka Sec-23 and at SEM office.**

4. POINT NO. 4:

- a. No reply given in view of the submission that the said files have been destroyed. The same must have been answered by the concerned SEM court.
- b. It is humbly requested to your goodself to also kindly forward the present RTI for disposal to the SEM court so that the undersigned may inspect the files after looking at the kalandara files and their entry registers in order to verify the said averments.

5. POINT NO. 5:

- a. No reply given in view of the submission that the said files have been destroyed. However the entry registers of the said complaints and the kalandra files are very much present in the PS Dwarka Sector-23. The said registers are present at the police station and as well as at the SEM court.

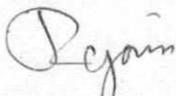

The fact that whether any kalandra was made could be verified from the Kalandra entry register of PS Dwarka Sec-23 itself. Hence kindly provide us with the said copies of the daily diary entry/ register.

6. POINT NO. 6:

- a. No reply given in view of the submission that the said files have been destroyed. However the entry registers of the said complaints and the kalandra files are very much present in the PS Dwarka Sector-23. Hence it is requested to your goodself to kindly allow the undersigned to inspect the said complaint entry registers and the Kalandra entry registers at both **the PS Dwarka Sec-23 and at SEM office..**

The undersigned wishes to attend the RTI Appeal hearing in person. Kindly let the undersigned know about the date of the appeal hearing so that he shall be present on time through himself or any other authorized representative.
