SUBJECT Appeal in RTI Act Case

Sir,

I am in receipt of information under RTI called by me vide your P.I.O office letter ID No. 2462/17/8054/RTI cell/NWD dated 31.08.2017 on 06.09.2017.

In this connection I would like to inform you that I had made request for investigating the matter of slaughtering the main branches of Trees in JD Block Pitampura vide my Complaint lodged in Maurya Enclave Police Station on 03.04.2017 vide D.D. No 10.A dt 3.4.2017.

The reply furnished by P.I.O is not at all satisfactory. I had lodged Complaint in P.S. Maurya Enclave on 3.4.2017. No action was taken on my Complaint for around 4 1/2 months, even in such a sensitive matter.

Thereafter on 01.08.2017 I had filed an RTI application which has been replied on 31.08.2017 by the P.I.O.

As per reply of P.I.O. dt-31.08.17 I have been informed that my Complaint has been forwarded to Dy Conservator of Forest, Mandir Marg, New Delhi vide your office letter no. 2878/Conserv (AC-35) North West Dist dated 31.08.2017.

Action taken after a lapse of 4 1/2 months by the Investigating Officer / SHO of Maurya Enclave Police Station establishes that the sensitivity involved in the issue of environmental protection was not.

at all taken care of. The time was allowed to be passed so as to minimise the granty involved in the issue. On asking action taken by the Police through R.T.I merely the Complaint has been passed on to Dy Conservator of Forest, Mandir Marg, New Delhi.

1) Now I would like to know under RTI that when the complaint was not to be attended by the Investigating officer of Police station, Mayapuri Enclave, as to why it was not sent to the Dy Conservator of Forest, instantly in the first week of April 2017. As to why the long period of 4 1/2 months was allowed to be lapsed. Please furnish me the reasons?

2) Please investigate at your end and inform me as to who is responsible for causing delay in keeping the sensitive Complaint of Environmental Protection, pending for such a long period of 4 1/2 months

20 Please inform me the above points under the provisions of R.T.I Act so as to enable me to proceed further in the issue.
