New Delhi - 75

Subject: Appeal against information sought under RTI Act

Respected Sir

With due respect I would like to state that this is in response to reply received in September 2017 for the RTI filed for case No. 0914/15, P.S. Sagarpur dated August 22, 17

1. Sir, it is mentioned that no CCTV camera was installed there. Here I would like to bring to your notice that CCTV camera was installed at H.No. R2185 which was barely at a distance of 4 to 5 metres from the site of crime i.e. our residence. The people who visited the site on the day FIR was lodged are the witness. It is also said that some months back a shoot out case was solved with the help of the same CCTV camera.
2. I would like to inquire whether the two main suspects whose fingerprints were taken were Umesh and Dinesh from the same area.

I hope you will do the needful and take necessary action at the earliest.

Thanking You
Yours faithfully

Rawat
7/10/17

(Ms. Indra Rawat)
