Subject: Information needed as per RTI Act.

Respected Sir/Madam,

On 24-2-17, Sri Sri Gyan Vikas Kendra (SSGVK) an NGO based out of Jalandhar, Punjab organized Mahashivratri Utsav at Deepali Tent, Opposite Vishal Enclave, Raja garden, N.Delhi-27

I, Bankey Bihari Lal, and my fellow Sh. Suresh Chand are former volunteers of SSGVK. We have served SSGVK for very long time from 2009 till 2017.

On 28/2/17, SSGVK, through it Program Manager, Mr. Satish Kakkar, filed a police complaint against Deepali Tent Management alleging that video recording of sensitive information of female devotees was done during the event.

Right after the Mahashivratri event was organized, SSGVK officials -Chairman (Sri Sudershan Kumar Sharma), Program manager & his wife (Mr. Satish Kakkar & Mrs. Sunita Kakkar), and National Organizer (Mr. Manjit Singh) accused both us of conniving with Deepali tent management in recording of sensitive information of female devotees. "What a mean & cheap allegation!!!"

To the same effect, On 1st March, at Neptune Residency Hotel (Paschim Vihar, N.Delhi), close to Delhi Ashram of SSGVK (G-42, Pushkar enclave, Paschim Vihar, N.Delhi-63), Mr. Satish Kakkar, Mrs. Sunita Kakkar, and Mr. Manjit Singh thrashed us badly for about 1.5 hours and "Ordered" that we should go to Jalandhar Head office of SSGVK and seek apologies from "Guru ji" (Chairman - Sri Sudershan Kumar Sharma).

We did not visit SSGVK Jalandhar to seek apologies from "Guruji". After couple of days, we were specifically threatened multiple times by SSGVK officials of legal consequences by including our name in the police complaint filed against Deepali tent Management on 28-2-17.

We were committed volunteers of SSGVK for 8 long years and had developed "deep faith" in Guruji & his philosophy. We have organized many local & National programs of SSGVK.
