Subject : **INFORMATION UNDER RIGHT TO INFORMATION ACT 2005**

Sir/Madam,

I would like to draw your kind attention to my application dated 08.06.2017, duly received and stamped by the Bank on 09.06.2017 at 12.42 P.M for (i) initiating action against the bank officials found responsible for not following the bank practice while making payment to presenter exceeding Rs 25,000/-and (ii) to lodge complaint with the police station for fraudulent withdrawal of amount Rs 60,000/- elucidating the circumstances leading to such payment for investigating the case. However, despite passage of 35 days and personal interaction with the Branch Manager several times, nothing tangible came out. Under RTI Act 2005, I required the present position of the case alongwith certified true copy of the statements recorded and action taken in the matter for which the requisite Postal order No 38F 235498 dated 18/7/17 amounting to Rs 10/- is enclosed herewith.

Encl : As above
