The CPIO did not provide the desired information.

Order

Appellant : **Absent**
Respondent : **PIO, Shri K.P. Singh**

During the hearing the respondent PIO submitted that they had provided the requisite information in parts vide their letters dated 11.12.2015, 18.11.15 and 11.12.15 covering all the points in connection with the RTI application dated 07.10.2015. He further submitted that information was scattered in various departments, so it took some time for the CPIO to connect the same from various units/officers. The delay in providing the final reply to the appellant was requested to be condoned.

On perusal of the case record, it was seen that the final reply provided is just and proper, hence, nothing much remains in this case. Moreover as the appellant was not there to contest his case, interference of the Commission is not called for.

In view of the above, the appeal is disposed of.

Copy of the order may be sent to both the parties free of cost.
