## HEARING

**Complainant as well as respondent opted to be absent despite of our due notice to them.**

## DECISION

1. It is pertinent to mention here that despite of our **due notice**, neither Complainant nor the respondents appeared **either in person** or through someone, duly authorized by them before the Commission to press their cases. However, the Commission feels that complainant must have appeared, in such situations, to press his complaint before the

Commission, after all, it is his case to be pursued strongly but complainant is also absent **deliberately**, despite of our due notice. Thus, it shows the intention of the complainant that he is not interested, **at all**, in pursuing his own case before the Commission.

2. In view of the above, the Commission feels that **no fruitful purpose** would be served by proceeding **in such cases**. Thus, the Commission is of the considered view that it would be **appropriate and even justified to dismiss** the case. Therefore, it is hereby **dismissed**.

The complaint is dismissed accordingly.
