The above appeal is pending with the Commission for adjudication; however the complaint file is not available in the Commission. In term of the decision taken in Commission's meeting dated 21.03.2017, the matter was taken up by the Registrar with the concerned applicant as well as with the concerned Public Authority to provide the relevant documents so as to enable the Commission to reconstruct files for further action. Further, a public notice was put up on the Commission's notice board on 08.05.2017 affording another opportunity to provide the copies of relevant documents within a period of 30 days.

Despite this, the parties have not exhibited their willingness to pursue the respective matters. Applicant was pursued further on 14.09.2017 with a request to submit the copy of RTI appeal to FAA and reply of CPIO but the same is not received till date.

In this factual backdrop, the present appeal is placed before the Commission on the reference of registry. Despite sufficient opportunity, the parties hereto have not taken any step further and thus, the Commission deems it appropriate to close the captioned cases.

The captioned appeal is dismissed *in limine* for non prosecution
