### DECISION

It is pertinent to mention here that despite of our **due notice**, Complainant failed to appear **either in person** or through someone, duly authorized by her before the Commission to press her case. However, the Commission feels that complainant must have appeared, in such situations, to press her complaint before the Commission, after all, it is her case to be pursued specifically but complainant is absent **deliberately**,

despite of our due notice. Thus, it shows the intention of the complainant that she is not interested, **at all**, in pursuing her own case before the Commission.

2. In view of the above, the Commission feels that **no fruitful purpose** would be served by proceeding **in such cases**. Thus, the Commission is of the considered view that it would be **appropriate and even justified** to **dismiss** the case. Therefore, it is hereby **dismissed**.

The complaint is dismissed accordingly.
