## HEARING

**Complainant opted to be absent despite of our due notice to him.** Respondents appeared before the Commission personally and made the submissions at length.

## DECISION

It is pertinent to mention here that despite of our **due notice**, Complainant failed to appear **either in person** or through someone, duly authorized by him before the Commission to press his case. However, the Commission feels that complainant must have appeared, in such situations, to press his complaint before the Commission, after all, it is his case to be pursued specifically but complainant is absent **deliberately**, despite of

our due notice. Thus, it shows the intention of the complainant that he is not interested, **at all**, in pursuing his own case before the Commission.

2. In view of the above, the Commission feels that **no fruitful purpose** would be served by proceeding **in such cases**. Thus, the Commission is of the considered view that it would be **appropriate and even justified** to **dismiss** the case. Therefore, it is hereby **dismissed**.

The complaint is dismissed accordingly.
