DECISION

It is pertinent to mention here that the appellant, vide his RTI Applications dated **13.05.2016 & 03.05.2016**, sought information from the respondents on **2 & 4 issues respectively**. Respondents, vide their responses dated **14.06.2016 & 02.06.2016**, provided the required information to the appellant. Being aggrieved by the aforesaid response, FAs were filed by the appellant on **24.06.2016 & 26.06.2016** before the FAA, who vide his orders dated **25.07.2016 (2 in nos.)**, disposed of the FA by upholding the views of CPIO.

2. The Commissioner heard the submissions made by respondents at length. The Commission also **perused** the case-file **thoroughly**; specifically, **nature of issues** raised by the appellant in his RTI application dated **13.05.2016 & 03.05.2016**, respondent's response dated **14.06.2016 & 02.06.2016**, FAA's order dated **25.07.2016 (2 in nos.)**, other material made available on record and also the grounds of memorandum of second appeal.
3. In view of the **position** above and in the **circumstances** of the case, the Commission is of the considered view that the respondents have provided the required information to the appellant in terms of **Section 2(f) of the RTI Act 2005**. In view of this, the Commission feels that the appellant's second appeal becomes **redundant** in this regard. Thus, the appellant's second appeal deserves to be **dismissed**. Therefore, it is **dismissed**.
4. Apart from above, the appellant's second appeal is also a **non-pressed**, despite of our due notice to him.

The Appeal is dismissed accordingly.
