Respondent : PIO, Shri Gulshan Arora, DPO(in Moradabad)
PIO, Shri Sanjeev Kr. Dy.Signal Telecom Engr.

During the hearing the appellant handed over a written submission to the Commission.

The appellant also submitted that she wanted a copy of the service record of her father. On perusal of record, it was seen that the appellant has raised a grievance in her RTI application, which is not covered u/s 2(f) of the RTI Act. It is also relevant to note that the demand of copy of service record is a fresh query which is not included in the original RTI application. It is not permissible at the stage of second appeal. The appellant is advised to approach proper forum for redressal of her grievance. The Commission is not the proper forum to settle grievances. *Hence, the commission is constrained to close both the cases.*
