Registry of Hon'ble Chief IC

Dated: 30.06.2017

Subject: Disposal of Complaint No. CIC/LS/C/2012/000222 of Shri Vijay Kumar Tiwari, against M/O Communication & Information Technology, Department of Electronics & Information & Technology.

The subject cited complaint of Shri Vijay Kumar Tiwari, has been pending on the Commission's list of pending cases. In terms of a decision in the Commission's meeting held on 21.03.2017, the matter was taken up with the concerned complainant as well as with the concerned Public Authority to provide the relevant documents so as to enable the Commission to re-construct the file for further action.

While no response has been received from the complainant, the concerned Public Authority, vide their letter dated 24.04.2017, has also informed that on checking the record available in their RTI/PG Cell, it seems that matter has not been dealt with by them. The list of pending cases was also displayed on the Commission's notice Board from 08.05.2017 to 07.06.2017 for wide publicity.

Thus, there has been no response from the Complainant despite repeated efforts and the concerned Public Authority has also said that the above complaint was not dealt by them. As a result, the Commission is left with no option but to close the case and to remove it from the pending list. We may, however, keep a provision, that if, at any stage, the complainant approaches the Commission with the record of his aforesaid case, the matter may be fixed for hearing.

Put up for consideration and approval please.
