**Date of Decision (Show cause) : 01.02.2017**

**Appellant : Shri Harish Kumar, Delhi**

**Respondent/ Noticee : Shri Manoj Kumar**

**Information Commissioner : Shri Yashovardhan Azad**

**Show Cause Proceedings u/s 20 (1) of the RTI Act**

While deciding the aforesaid appeal on 03.04.2014, the Commission deemed it expedient to issue show cause notice to Shri Manoj Kumar, the then PIO for not furnishing information to the appellant and causing delay in furnishing information despite clear directions of FAA.

The noticee is present and heard. He states to have assumed the charge of CPIO in SP Zone, North DMC on 28.02.2014. He draws the attention of the Commission towards the time line of the present RTI application. The application was made on 23.07.2012 and the CPIO replied on 10.09.2012. The FAO was passed on 20.09.2012. Thus, it is evident from the records that the noticee never had an occasion to deal with the RTI application.

As a sequel to the foregoing, the Commission hereby drops the show cause proceedings against Shri Manoj Kumar. Noticee stands discharged.

Shri A.K. Dikshit, the present PIO/SP Zone, North DMC is directed to furnish by 20.02.2017, the name of officer/ EE(s) and AE(s) having worked as CPIO during 23.07.2012 to 30.09.2012, who apparently failed to furnish information within prescribed time & flouted the directions of FAA. Further proceedings shall be notified thereafter.
