The subject cited Complaint of Shri Sanjay Kumar Roy, has been pending on the Commission's list of pending cases. In terms of a decision in the Commission's meeting held on 21.03.2017, the matter was taken up with the concerned complainant as well as with the concerned Public Authority to provide the relevant documents so as to enable the Commission to re-construct the file for further action.

No response has been received from the Complainant as well as from the concerned Public Authority despite concerted efforts. The list of pending cases was also displayed on the Commission's notice Board from 08.05.2017 to 07.06.2017 for wide publicity.

Thus, there has been no response from the Complainant as well as from the concerned Public Authority. As a result, the Commission is left with no option but to close the case and to remove it from the pending list. We may, however, keep a provision, that if, at any stage, the Complainant approaches the Commission with the record of his aforesaid case, the matter may be fixed for hearing.

Put up for consideration and approval please.
