**Order**

Appellant : Absent

Respondent : Present (Sri. Vinit Kumar Gautam, CPIO)

On perusal of records, it is found that the required information was given within one month of the filing of the RTI application. The RTI application was filed on 22.01.2014. The RTI application was dated 22.01.2014 but inadvertently it was dated by the appellant as 2013. This fact is proved because the appellant sought copy of WLRs pertaining to the quarters ending "September and December 2013" which is not possible if the application is dated 22.01.2013.

However on perusal of record it is seen that complete information was provided to the appellant in time, hence interference of the Commission is not called for.
