First Appeal filed on : 18.11.2015
First Appellate Order on : --
2nd Appeal/complaint received on : 17.12.2015

Information sought and background of the case:

Vide RTI application dated 20.08.2015, the appellant sought information under 4 points regarding correction of Birth Certificate of his daughter. The CPIO did not reply. The appellant preferred first appeal but the same remained unheard. Feeling aggrieved the appellant approached the Commission.

Relevant facts emerging during hearing:

The appellant is absent despite notice. The respondent is present and heard. The CPIO states that the RTI application was a grievance letter indeed inasmuch as the appellant was aggrieved due to 'unauthorized modification' of registered database of birth records of his daughter. The CPIO clarifies that the online birth record was modified by some unauthorized person by hacking the login credentials of the authorized user and now all such unlawful modifications of the record have been undone. He states that the appellant raised a genuine grievance and the same has been redressed.

Upon a query from the Commission if the appellant has been furnished with a new birth certificate incorporating correct data, the CPIO undertakes to furnish a copy of the same within 2 weeks of the receipt of this order.

Decision:

After hearing respondent and perusal of record, the Commission finds nothing surviving for adjudication in view of the submissions made by the CPIO. The CPIO shall be bound by his undertaking and shall furnish a copy of birth certificate of daughter of appellant, reflecting original credentials.

The appeal is disposed of accordingly.
