Order

The present complaint is taken up on a reference by the registry. The present complaint dated 03.12.2013 was preferred by the complainant with the following grievance:

Kindly direct the Director of NIMHANS to upload the details of the CPIO and Appellate Authority details in their website at the earliest to comply with earlier CIC order. Lack of this information is causing difficulties for applicants to file complaints under the RTI Act. There is no helpful reply when approached through phone to the office of the Director NIMHANS.

Handouts as accessed from the web urls <http://www.nimhans.ac.in/right-information-act> and <http://www.nimhans.ac.in/sites/default/files/CPIO%20Details.pdf> on 26.10.2016 are placed before the Commission which suggest that complete details of officers designated under the RTI Act are available on the website of institute.

In the considered opinion of the Commission, no useful purpose would be served by initiating proceedings on the present complaint which is unaccompanied by any reliable evidence/ affidavit to suggest that the public authority committed lapse in past in administration of the RTI Act.

Accordingly, the present complaint is disposed of.
